Plasnet School aims to ensure that its ethos, policies and practices respect and protect the rights of all individuals and that everyone is enabled to make the most of their abilities and qualities.

Equality is a core school value, central to the wider issue of social inclusion. It underpins the school curriculum and it is a key consideration in employment policy and practice. We believe that equality of opportunity is the central principle underlying all the work we do.

The **Equality Act 2010** clearly states that the following groups must be taken into account. People identified in the following groups are considered to have a **protected characteristic**.

- Disability
- Sex (gender)
- Race (ethnicity)
- Pregnancy and Maternity
- Religion and Belief
- Sexual Orientation
- Gender Reassignment
- (Age)
- (Marriage and Civil Partnership)

The **Public Sector Equality Duty** requires the school to publish information about Equalities.

This information must be clearly linked to the three aims (General Duties) of the Public Sector Equality Duty April 2012.

General Duties

- a. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- b. Advance equality of opportunity between people who share a protected characteristic and those who do not.
- c. Foster good relations between people who share a protected characteristic and those who do not.

Specific Duties which relate to the above general duties are to:

- **Publish and Analyse Information** about the school annually
 - **Set Equality Objectives** reviewed on a three year cycle
- These actions will be taken after analysing the information about our school.*

Publicising and Promoting

- The school's Public Sector Equality Duty will be published in the staff handbook and on the school website.
- Visitors will be made aware that the school is committed to the Public Sector Equality Duty and copies can be made available on request, including translations and special formats.

The member of staff who has responsibility for implementing, reviewing and monitoring the PSED and reporting back to the Headteacher and Governors is: a Deputy Head

Comments:

Attendance is monitored very closely and there is strong support across pastoral teams. Data is provided to YCs and Form Tutors on a regular basis. Cases of concern are referred to the School Attendance Consultative Group (SACG) and the School Welfare Officer. Home visits are made and the Attendance Officer works closely with parents. The EWO and Attendance Officer attend parents' evenings.

Areas for development:

- To further reduce persistent absenteeism
- Further work to engage parents on the importance of regular school attendance for their

daughters

- Reduce the number of students taking extended holidays

Workforce – staffing and training

We produce and scrutinise a workforce census annually. School Staffing England Regulations (2003) sets the Local Authority as the employer, however, schools exercise a responsibility as direct employer. We have adopted Local Authority HR Policies related to Recruitment, CPD and other areas of employer responsibility.

We currently have 150 employees.

Having scrutinised the workforce census the leadership team and governors are committed to the following areas.

Areas of focus
