

School Direct Vacancies 2017-18

Plashet School has a successful training partnership with Partnership London SCITT. PLS is a partnership between two existing teaching school alliances (Partnership Learning Teaching School Alliance & East London Teaching School Alliance).

In choosing to train at Plashet, you will be trained by outstanding practicing teachers in a highly academic school environment. Last summer 69% of our 270 students gained A* - C in English and Maths GCSE. The school was awarded a Progress 8 score of +0.52 this places us in the top 5% of schools nationally.

We offer:

- A high achieving, over-subscribed girls' school producing excellent rates of student progression and examination results rated Outstanding by Ofsted since 1999.
- Highly-motivated and well-behaved students; supportive parents; excellent teaching; and a caring school ethos that embraces the cultural, religious and ethnic diversity of its students.
- An Outstanding Initial Teacher Training programme including a dedicated team of highly qualified Specialist Leaders in Education and Lead Subject Practitioners.
- A stimulating and challenging learning environment where we as staff are as active in, and committed to, our learning as our students.

In 2008, after an outstanding Ofsted report, we were subsequently part of an Ofsted research report, "Twelve Outstanding Schools: Excelling Against the Odds." Needless to say, the school is highly regarded by the local community and heavily over-subscribed.

In partnership with PLS, our school-centred course will give you the best foundations for learning in an outstanding school: the theory, the practice, the professional development and an extended placement with colleagues who have the knowledge & skills to support you in becoming a successful teacher.

We are pleased to offer salaried and tuition route vacancies in the following subjects:

Salaried Route Vacancies:

- English
- Religious Studies
- Sociology

Tuition Route Vacancies:
