Enquiries about results (EaRs)/Access to Scripts

All students will be provided with EaRs and Access to Script information in the *Candidate Information Booklet*.

Appeals procedure against centre decisions not to support an enquiry about results

Following the issue of results awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the Examination & Data Officer (E&DO).

The EaRs services may be requested by centre staff or candidates (or their parents/carers). EaRs service 3 (review of moderation) is not available to individual candidates. If a query is raised about a particular examination result, the E&DO, teaching staff and Head of Centre (HoC) will investigate the feasibility of requesting an enquiry at the centre's expense.

When the centre does not uphold a request from a candidate, the candidate may pay the appropriate fee, and a request will be made to the awarding body on the candidate's behalf. If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an appeal can be submitted to the centre using the **internal appeals form** at least **one week prior to** the internal deadline for submitting an EaR.

Appeals procedure following the outcome of an enquiry about results

Where the HoC remains dissatisfied after receiving the outcome of an EaR, an appeal will be made to the awarding body, following the guidance in the JCQ publications:

Post-Results Services - <http://www.jcq.org.uk/exams-office/post-results-services>

A guide to the awarding bodies' appeals processes - <http://www.jcq.org.uk/exams-office/appeals>

Where the HoC is satisfied after receiving the outcome of an EaR, but the internal candidate and/or their parent/carer is not satisfied, they (candidate/ parent) may make a further representation to the HoC. Following this, the HoC's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

If the candidate is still not satisfied with the outcome of the initial check/review of marking they will need to discuss the matter with the centre. If the centre supports the candidates reasons for being dissatisfied the HoC will then submit a written request for the **preliminary stage** of appeal to the awarding bodies outlining clearly the grounds for the appeal. Appeals must be made within 30 calendar days to the awarding body.

Following the outcome of the preliminary appeal, if the HoC is not satisfied with the reasons provided in the preliminary stage outcome letter a request for an **appeal hearing** can be made. A request for the appeal hearing will be made within 14 calendar days.

Post-Results Services and Appeals

Submission of requests

Centres must have in place a published formal appeals procedure for use in cases where centres and candidates, or their parents/carers, cannot agree as to whether an enquiry about results should be submitted. The formal appeals procedure must be made widely available. Centres must therefore draw the appeals procedure to the attention of candidates and their parents/carers. In deciding whether to support an enquiry about results, centres should take account of all relevant factors and afford candidates or their parents/carers a reasonable opportunity to express their views. Awarding bodies can only enter into discussions over enquiries about results with centres and private candidates. (Section 4.4 of JCQ Post results services)

Appeals

Centres must have in place a published formal appeals procedure for use in cases where centres and candidates, or their parents/carers, cannot agree as to whether an appeal should be submitted to the relevant awarding body. The formal appeals procedure must be made widely available. Centres must therefore draw the appeals procedure to the attention of candidates and their parents/carers. In deciding whether to support an appeal, centres should take account of all relevant factors and afford candidates or their parents/carers a reasonable opportunity to express their views. Awarding bodies can only enter into discussions over appeals with centres and private candidates. (Section 5.5 of JCQ Post results services)

Please note that internal candidates and/or their parents/carers are not entitled to appeal directly to the awarding body. Representations must be made to the head of centre where the candidate was entered or registered. The head of centre's decision as to whether to proceed with an appeal is subject to the centre's internal appeals arrangements.

ASDAN Appeals Policy

In deciding whether to support an enquiry or appeal, centres should take account of all relevant factors and afford candidates or their carers a reasonable opportunity to express their views.

Candidates should consult the full information in the above publications to be fully informed when stating their grounds for appeal.

Procedures for EaRs

Any student who wants to query a mark/grade awarded by an awarding body upon issue of results should follow the following procedure:

- Contact the E&DO as soon as possible (but at least 5 working days before the published deadline for EaRs) to discuss the mark/grade. The E&DO will advise on the options available to query the mark/grade and the costs involved in this process.
- Students should be aware that EaRs can result in marks/grades being raised, confirmed or lowered. Students must sign a consent form to confirm that they understand the consequence of an EaR. Consent forms will be available from the school or by email. Consent may be given by email.
- The candidate will be required to pay in advance an amount to cover the Awarding Organisation's fee for conducting and EaR. If the EaR results in a grade change the fee will be refunded.

Curriculum/Subject Leaders will review the student's marks/grades and discuss this with their Leadership Team line manager. If the Department agrees to support the EaR they will request that

the candidate signs a consent form and once completed this form will be handed to the E&DO who will submit the EaR to the Awarding Organisation.

Outcomes following EaRs will be forwarded by the E&DO to the student as soon as possible after they have been received from the Awarding Organisation.

Conditions of Access to Scripts Service (ATS Service)

Where teaching staff intend to use scripts for teaching and learning purposes or as examples for other students, prior written (or emailed) permission must be obtained from the candidates concerned.

This permission must be sought only after the candidates have received their results for the respective examination series. Candidates who grant their permission have the right to anonymity of their scripts before use. The centre's policy is that teachers using scripts for teaching and learning purposes must ensure that anything that can identify the candidate is removed before use.

A candidate has the right to instruct their centre not to request their scripts.

Scripts must only be seen by teachers who are members of staff at that centre or returned directly to candidates. Centres must store scripts securely.

Where teachers have used scripts for teaching and learning purposes but no longer wish to retain them, they must ensure that the scripts are disposed of in a confidential manner.

A candidate may request a copy of her own script by contacting the E&DO as soon as possible (but at least 5 working days before the published deadline for EaRs). The candidate must pay the fee required by the Awarding organisation before the application is submitted. The E&DO will send the script to the candidate as soon as is reasonably possible after it is received.

If a student feels that this may not have happened in relation to her work, she may make use of the appeals procedure.

Appeals should be made in writing to the E&DO and should state, in detail, the reason(s) for the appeal. This appeal should be signed and dated. The appeal information will be reviewed by the E&DO and a member of the Leadership Team and the outcome of the appeal communicated to the candidate within 48 hours of receipt. The decision is final.
