

Friday 18th September 2020

Dear Parent/Carer and Students,

I informed you last Friday that if there were any changes to the way in which the school has to operate, I would inform you via the weekly update. Due to the notable rise in COVID-19 infection rates nationally and locally I have taken the decision to implement an additional control measure to change lunchtime arrangements. From **Monday 21st September**, all students will have their lunch in their form rooms and lunchtime will be amended to 30 minutes.
